

## OPERATORS MAKING PREPARATIONS TO MEET WITH MINERS

This Was Admitted by Secretary Green of the United Mine Workers Yesterday—May Get Sufficient Tonnage to Insure Conference—May Also Result in End of Strike

(By The Associated Press)  
CINCINNATI, O., June 13.—That a movement has been under way for some time among coal operators of the central competitive field to confer with the miners looking to a settlement of the national coal strike was admitted here today by William Green, secretary of the United Mine Workers.

This statement was made by Mr. Green following a report from Cleveland quoting T. H. Mayer, president of the Mayer Collieries company as saying that conferences of operators were going on thruout the country in an effort to end the strike.

Mr. Green stated that it would appear from the Cleveland dispatch that a sufficient tonnage is being assembled to insure a conference of operators and miners. He explained it would be necessary for operators joining in the conference to control enough coal production so that any agreement they would make with the miners would be the basis for pay thruout the central competitive field, which in turn is the basic scale for all other soft coal fields, operating union mines.

## WILL NOT PAY FOR SMALL TRIAL UNTIL IT IS ENDED

Sangamon County Supervisors Take This Action Monday

(By The Associated Press)  
SPRINGFIELD, Ill., June 13.—Acting on recommendations of its judicial committee, the Sangamon county board of supervisors today voted to refrain from payment of any part of the expense of the trial of Governor Small at Waukegan, demanded in a resolution passed by the Lake county board of supervisors, April 27, last, until the trial is ended.

In the resolution adopted by the board as a whole the law governing change of venue cases is quoted and in part reads as follows:

"Upon the termination of any trial, when a change of venue has been obtained, the clerk of the court, in which the trial is had, shall make out a true and correct statement of all the costs, fees and all other necessary charges, claims and expenses of the county in which the trial is had and resulting from such change of venue."

And continuing in part the law reads:

"Such account shall be duly certified to by said clerk, and, when so certified shall be paid by the county in which such indictment or information was found to the county in which the trial is had."

The statute concludes with the provision that all fines, imposed and collected in the county where the trial is had must be paid to the county from which the change of venue is taken.

A copy of this resolution, incorporating the law, County Clerk Charles W. Byers, stated will be sent to the Lake County board of supervisors, unaccompanied by any explanatory notes.

"The resolution speaks for itself," Mr. Byers added. "And the law is likewise clear."

## WOMAN SHOTS JEALOUS LOVER

VIRGEN, Ill., June 13.—Mrs. Minnie Beaman of this city tonight fatally shot John "Dutch Red" Clark 32, said by officials to be her jealous lover. The shooting occurred at the woman's home where, officials said, Clark had gone to effect a reconciliation.

About six years ago Mrs. Beaman was tried for the murder of Jerry Coffey, farmer of Nilwood, Ill., and acquitted. She pleaded self-defense.

## SMALL VESSEL BURNS IN LAKE CLAIRE

DETROIT, Mich., June 13.—A small vessel believed to have been a gasoline yacht was reported late tonight to have burned and sunk in Lake St. Clair, about two miles off the Grosse Pointe shore. Grosse Pointe police and the harbor master's department here sent power boats to assist occupants of the unidentified craft.

## EAGLES PARADE AT PEORIA

PEORIA, Ill., June 13.—Fifteen hundred members of the Fraternal Order of Eagles from all parts of Illinois opened their convention here today. A parade was held tonight in which drill teams from various cities in the state participated.

## LIQUOR IS BEING SOLD ON U. S. SHIPS GALLIVAN CHARGES

Makes Attack in House on Shipping Board Yesterday

(By The Associated Press)  
WASHINGTON, June 13.—Attack on the shipping board for permitting the sale of liquor on American ships was made in the house today by Representative Gallivan, Democrat, Massachusetts. Holding up what he said was a wine list from Steamship President Pierce paid, he added, by federal appropriation, Mr. Gallivan declared that under the Volstead law we cannot get drunk on land but we can at sea.

There was a roar from members as the Massachusetts representative read from the list to show that American rye whiskey could be bought aboard ship at twenty cents a drink "and Jamaica rum—think of it—for two bits."

Officials of the shipping board when their attention was called to Mr. Gallivan's charges declined to comment upon them.

Declaring that the tolling millions were deprived of the comforts of life, Mr. Gallivan charged that the wealthy still laughed at the Volstead law and find it a negation and a "farce on the ships that sail the sea under the American flag."

It is to laugh

"Its open violation on the ships of the United States shipping board," he said, "makes one laugh when he reads so much about law and order now that the 18th amendment has been adopted. Here and now I desire to call attention to and emphasize the bare faced hypocrisy of a government appropriating money to enforce this child of prohibition and at the same time appropriating more money to advertise the violation of its own laws on its own ships the minute they get outside the three mile limit."

"I hold in my hand the wine list of one of Mr. Lasker's sailing delights. It bears the name of one of our former presidents—President Pierce. It is one of the most prominent trans-Atlantic ships of the United States lines. When I read its reminiscence and at times exasperating details it is not with intention of giving pain or sorrow to those members of congress who voted for the Volstead law. Rather it is to let congress and the country know that the law is violated daily."

He declared that the morals of the American people had been lowered by the law with the demand for its enforcement on land and its "open violation on water."

## BEGIN GATHERING IN THE LOOSE ENDS

(By The Associated Press)  
WAUKEGAN, Ill., June 13.—The state today began gathering together the loose ends of its case against Governor Len Small preparatory to closing, probably Friday night.

At adjournment tonight James H. Wilkerson, assistant attorney general, announced to the court that the prosecution will put the state's accountant, Donald C. Currier on the stand tomorrow morning and following his testimony will recall Norman Griffin, cashier of the Grant Park Trust & Savings Bank as its final witness.

Mr. Griffin was excused tonight and sent home to get additional records of the bank which the state desires to offer in evidence. Mr. Griffin was instructed to return Thursday morning.

The direct examination of Mr. Currier is expected to be brief and C. C. LeFors, chief counsel for Governor Small indicated tonight that the cross-examination will not take long, but there may be further delay tomorrow while the defense checks the tabulations of evidence which he will produce.

Most of today was spent with the reading into the record and checking of state exhibits. Mr. Griffin and two young women, bookkeepers in his bank, were the only witnesses called.

## THREE HUNDRED DIE IN FLOOD

San Salvador, Republic of Salvador, June 13.—Three hundred persons are known to have been drowned and many persons are missing following an abnormal rise in the Acelhuate and Arneal rivers which overflowed their banks and joined together in one stream inundating the Candelaria district of this city. Several houses were swept away by the raging torrent.

The bodies of three hundred men, women and children already have been found. The flood was caused by a two day torrential rain fall. The government has sent a relief expedition here to succor people in distress.

A large subscription list has been started for the relief of the sufferers.

## THREE MORE VICTIMS IN NEW YORK STORM

New York, June 13.—Three more victims were added to the death toll resulting from the storm which crossed New York Sunday afternoon with the fury of a hurricane. Two more bodies were tossed from the water and another victim died from injuries suffered in the collapse of a ferris wheel. Police think that the total death toll will reach 75.

A large subscription list has been started for the relief of the sufferers.

## FALSE FIRE ALARM

The fire department was called to the residence of Miss Olive Blunt, 517 South Prairie street, at 12:15 o'clock Tuesday afternoon. The stove pipe on the range had in some manner worked off the chimney and with smoke. No damage resulted and the services of the department were not needed.

## IS OPPOSED TO SIDETRACKING TARIFF MEASURE

President Said to be Against Plan to Present Bonus Bill

(By The Associated Press)  
WASHINGTON, June 13.—Senate Republican leaders who are opposed to the plan of Chairman McCumber of the finance committee to sidetrack the tariff bill for the soldiers' bonus have the support of President Harding.

The executive it was stated officially today at the white house regards tariff legislation as worthy of the undivided attention of the senate. Plans for consideration of the bonus still are indefinite but they may take shape after the return here tomorrow of Senator Lodge, of Massachusetts the Republican leader who has been campaigning in his home state.

Some leaders desire that a party conference pass upon the question of the right of way as between the two bills, but should a conference be called Sen. McCumber and other proponents of the bonus are expected to fight against delaying senate action on that measure until the tariff bill has been disposed of. Senator McCumber has given notice that he will call up the bill in the near future.

Meantime, subsequent proposals for the amended bonus bill are being put forward. The latest was offered today by Senator McCumber's colleague, Senator Ladd, Republican, North Dakota. It would provide for a cash bonus to the soldiers to be paid by the issue of \$2,500,000, 000 more or less of federal treasury notes to be retired over a period of twenty-five years out of proceeds from special taxes on banks and interest received from the foreign indebtedness.

Senator Ladd's plan contemplates a tax on all banking institutions having a capital stock of \$100,000 or more equal to fifty percent of the profits in excess of 12 percent and all other taxes. Should these taxes and the interest on the foreign debt be insufficient to pay the annual refunding installments on the legal tender issued to the veterans the deficiency would be made up out of the federal treasury.

Senator Ladd explained that few would contend that banks should make a profit greater than 12 percent. He argued that this plan would cause no inflation of credits and contended that in this manner the soldiers could be paid at little expense to the government.

## L. C. ALUMNI FUND DIRECTORS MEETING

Was Held Tuesday Afternoon—Number of Out of Town Members Present.

The tenth annual meeting of the Directors of the Alumni Fund Association of Illinois College was held in the basement of the Ayers National Bank Building on Tuesday afternoon. Those present from out of the city were Dr. Edward Capps of Princeton, Chairman of the board, Harry N. Kirby of New York City, James A. Meeks of Danville, Ill., and Harry J. Dunbaugh, of Chicago.

Routine pertaining to the affairs of the Association was given attention and reports made by the committee in charge of the memorial funds for Phi Alpha and Sigma Pi societies were very excellent, the funds in both societies are now approaching the two thousand dollar mark.

The following directors were elected for three years: Victor W. Nelson of Chicago, E. Bentley Hamilton of Peoria, R. I. Dunlap and T. W. Beadle of Jacksonville. The following officers were elected for the ensuing year: Chairman—Dr. Edward Capps, of Princeton. Vice Chairman—Walter Bellatti, Jacksonville. Secretary—T. W. Beadle, Jacksonville. Treasurer—Ralph I. Dunlap, Jacksonville.

PAST DEALINGS  
NEW YORK, June 13.—On the eve of a grand jury investigation of its members brokers who have been trading in Northern American Steel corporation stock on a "when issued" basis, the board of governors of New York curb market announced that the privilege to deal in the securities should be withdrawn and all past dealings are declared cancelled.

## MAY CALL SPECIAL SESSION OF CONGRESS.

WASHINGTON, June 13.—Warning by President Harding that he would be obliged to call congress in special session if it failed to take up the ship subsidy bill prior to adjournment was supplemented today by a white house announcement that the administration was determined to press for action now.

(By The Associated Press)  
ST. LOUIS, June 13.—Ninety percent of the women of Missouri are against U. S. Senator James A. Reed "for any position of public trust," the board of counselors of the democratic women's club of St. Louis today told Cordell Hull, chairman of the democratic national committee.

## Announcement Made by Haynes as to Illinois Office

(By The Associated Press)  
WASHINGTON, June 13.—Dual authority in the prohibition enforcement office at Chicago will continue unchanged, Commissioner Haynes announced today after conference with Charles A. Gregory, state director for Illinois and L. G. Nutt, associate director assigned from headquarters.

Mr. Haynes denied reports of friction between Mr. Gregory and Mr. Nutt in the enforcement of prohibition in Chicago and declared that the conference was called merely to discuss Illinois liquor problems of a routine nature. Mr. Nutt, he added, would return to Chicago in his present capacity as would Mr. Gregory. Besides Mr. Haynes and the Chicago officials, the conference which lasted about four hours, was attended by Senator McKinley, Republican, Illinois, assistant prohibition commissioner James A. R. Harris, chief of the general enforcement area of which Illinois is a part and a number of headquarters officials.

Differences said to have existed between Mr. Gregory and Mr. Nutt over who was in supreme authority in Chicago are officially declared to have been non-existent, but it was understood that Mr. Nutt's position in the Illinois federal prohibition forces was definitely settled as that of the personal representative of Mr. Haynes, working in co-operation with Mr. Gregory who would countersign all orders and upon question of judgment be expected to rely upon the associate directors long experience in the revenue service.

The policy of the prohibition unit as followed in New York and Massachusetts of naming an associate director for a state where later a change in the directorship was made has given rise to the belief in official circles that a report of the personnel of the Chicago office might be expected.

Decision reached at the conference to increase the prohibition force in Chicago by 50 percent, Mr. Gregory declared would enable the work of that office to be brought up to date in the near future.

## SAND DUNES SCENE OF ANOTHER TRAGEDY

Chicago, June 13.—Mrs. Alice Gray Wilson, University of Chicago graduate, who became known as "Diano of the Dunes" when she became a beach dweller on the Indiana shore several years ago, was perhaps fatally wounded tonight in a battle which authorities believe may have grown out of the dunes death mystery.

Her husband Paul Wilson was shot.

Eugene Frank, a hostman, who is said to have fractured the woman's skull by a blow with a revolver butt after shooting Wilson, was arrested by Gary police.

## LABOR LEADERS CONDEMN SHIP SUBSIDY BILL

Vote to Send Protest to Congress Against Passing Bill

(By The Associated Press)  
CINCINNATI, O., June 13.—Unqualified condemnation of the ship subsidy bill was voted unanimously today by the delegates at the American Federation of Labor convention almost simultaneously with President Harding's despatch of a letter asking congress to pass the measure under threat of an extra session. The convention also voted to send a protest against passage of the bill to senate and house leaders.

The bill was termed by the resolution adopted by the convention as a cunningly devised scheme to enrich certain classes of so-called American ship owners at the expense of the truly American taxpayer and also to provide patronage which is certain to be used for purely political purposes.

The resolution concluded with the statement that the bill was condemned as inimical to the public interest and particularly destructive to the nation's hopes for sea power.

The action by the delegates was their first attack on the Harding administration which it was indicated by the federation's executive council report would be the brunt of other attacks during the two weeks' convention.

Interest among the delegates also was centered in the first movement for a contest of membership on the federation's executive council.

Joseph V. Franklin, president of the Boilermakers' Union, announced his candidacy for treasurer opposing Daniel Tobin, president of the Teamsters' Union, who is a candidate for re-election. Mr. Franklin's announcement came after a meeting of the chiefs of eleven rail unions which control almost one-third of the convention vote and the candidacy of Mr. Franklin was regarded as a medium to give the rail unions a representative on the council.

The afternoon session was discarded to permit committees to prepare a report on the convention had set June 21 as a day for considering the supreme court's decision in the Coronado case.

## CITY OFFICIALS MAY GET LONG TERM

(By The Associated Press)  
SPRINGFIELD, Ill., June 13.—Mayors and municipal officials of Illinois elected next April for a term of four years will serve an additional seven months in order that their successors may be elected in November, 1926, if the constitutional convention approves a report of the schedule from committee drafted today and the new constitution becomes a reality. The one election day was proposed by William A. Trautmann committee member from East St. Louis and provides for only one election day a year when all officers shall be chosen.

Sitting as a committee of the whole the downstate delegates carried section one of the future amendments providing for the election of two delegates to the next constitutional convention from each senatorial district by a vote of 45 to 20. Section two also was adopted after an amendment was introduced and accepted. The committee report will be called on the order second reading tomorrow morning.

If it fails to secure the required fifty two votes a compromise is expected.

## WEISMULLER CRACKS FOUR WORLD'S RECORDS

KAKUHLA, June 13.—Johnny Weismuller of the Illinois Athletic Club, Chicago, smashed four world's swimming records here today in a tank handicap race. This is what the paddling marvel from the east side did:

Covered 400 yards in four minutes 40 and 2-5 seconds, or 14 seconds faster than the previous record. Cut the time for 400 meters from 5 minutes 14 2-5 seconds to five minutes 8 1-5 seconds; set a new mark for 90 yards of 5 minutes 10 seconds; shaved the 500 meter time from five minutes 56 3-5 seconds to 5 minutes 52 seconds.

## I. C. COMMENCEMENT VISITORS FROM NEW YORK

Among commencement visitors at Illinois College is Henry N. Kirby, former Jacksonville resident, who is secretary of the Katz Special Advertising agency. This company has offices in New York, Chicago, Kansas City, San Francisco and Atlanta.

Mr. Kirby before entering his present work had years of experience with the Butterick Co. He is a successful business man and is one of the alumni of Illinois college who has added lustre to the name of his alma mater.

## BANKERS HERE FOR I. C. COMMENCEMENT

M. A. Traylor, president of the First Trust and Savings Bank of Chicago, Kola Wells, former governor of the St. Louis Federal Bank and Edward J. Goltra of St. Louis, Illinois College commencement visitors, arrived in Jacksonville last night.

## PROSPECTS FOR EARLY ACTION ON MUSCLE SHOALS

President Has Taken no Position Either Way on Ford Offer

(By The Associated Press)  
WASHINGTON, June 13.—Prospects for early action by the house on proposed legislation for development of the government's projects at Muscle Shoals, Alabama, were brightened today by authoritative House that administration officials were willing and anxious for house leaders to act on the matter with a free hand.

President Harding it was said has taken no position in opposition or support of Henry Ford's proposal believing that its acceptance or rejection by congress was a question of legislative decision only.

What action the house will take Representative Mondell, the Republican leader announced, would be decided in conference of majority members. He announced that the decision would be formulated "in the near future."

Representative Garrett, Tennessee acting Democratic leader said the Republicans would have an interesting time if they brought in the ship subsidy bill and refused to consider the disposal of Muscle Shoals units.

Later an appeal to the Republicans for early consideration of Muscle Shoals legislation was made by Representative Bankhead Democrat, Alabama.

All the great agricultural organizations of the country and the business organizations of the Mississippi Valley, he said were vitally interested in the Ford proposition and were insisting that some final action be taken before the end of the present session.

An approach to the end of hearings on the proposals for Muscle Shoals was made today by the senate agriculture committee. Chairman Norris, Nebraska, called W. G. Waldo, consulting engineer for the Tennessee River Improvement association for final examination and later announced that the committee sessions probably would end with the appearance later this week of Major H. H. Burns of the ordinance bureau war department.

## Testifies as to Plan.

Mr. Waldo testified that it was Mr. Ford's plan to develop power in the upper Tennessee to supplement that created by the projects at Muscle Shoals and would if his offer was accepted improve the river above the Wilson Dam.

It was his belief, Mr. Waldo said that reservoirs would be created to regulate the flow of water even thru the year at the Wilson Dam and that this construction work would materially benefit the navigation of the upper river.

Mr. Waldo and Senator Heflin, Democrat, Alabama, joined in references to the fertilizer trust, as an augmenting factor to the anti-Ford propaganda, but Senator Norris declared evidence would acquaint that interest of such charge.

The Alabama member and Mr. Waldo disagreed with Chairman Norris on this and were invited to give the names of witnesses who could prove the existence of a fertilizer trust in order that they might be subpoenaed.

The Decatur Review says it looks like those Greeks at Frederick were in a mighty tight place and wouldn't know whether they were being or coming.

The editorial mention made yesterday about the need for planting trees in Jacksonville was given emphasis by the severe storm in the early hours of Tuesday morning. Many trees were blown down and the branches torn from others revealed the fact that there are many trees decayed from age and sooner or later are certain to be storm shattered. This tree replacement work is one that should not be long delayed.

Business was fine yesterday with agents who sell wind storm insurance. No wonder, for scores of property owners who carry such insurance were adjusting their losses and scores of other property holders who did not have policies were regretting that fact. The time when fire or wind losses are general always means more business for the companies.

The movement to reorganize the Jacksonville band is not new. Similar efforts have been made within the last two or three years and have failed because the funds necessary could not be secured. A number of men who are taking the leadership in the present effort believe that better luck will attend the project at this time. Certain it is that a well trained, well ordered band is an asset to city life, and furnishes an excellent advertising medium.

It is at this season of the year that the value of local educational institutions is emphasized. This is the week of Illinois College Commencement exercises. Graduates and former students of

the college from a dozen different states are here for Commencement week events. Their interest in the college is necessarily linked with Jacksonville. The time is at hand when the colleges of Jacksonville with the right local co-operation, can grow rapidly and become of greater business value than they are today. The colleges make wonderful contributions to the social life of the city, and can contribute in just as large a way to the business life.

**REED CONSISTENT IN OPPOSITION.**

The St. Louis Globe-Democrat, altho now managed as an independent paper, is very outspoken in opposition to Senator James Reed, who is again seeking to be the nominee of his party for the senate.

In a recent editorial the Globe concedes the brilliance and ability of the candidate but points to his record as proof that as a member of the senate he has shown no constructive ability, instead has made it his business to oppose various measures. It is conceded that opposition and criticism are all right in their place but it is an unfortunate thing for a statesman to have nothing in his record of a constructive kind, to be compelled to confess that whatever reputation he may have is built solely upon the attacks he has made upon the policies or the work of others.

The Globe editorial on this point says, among other things: "We are far from asserting that opposition is always wrong. On the contrary, it is frequently right. Nor do we say that Mr. Reed's opposition is always wrong. But we do say that in all the years of his service in the Senate Mr. Reed has exercised his talents exclusively in opposition; he has used them exclusively to impede or to prevent legislation, much of it constructive legislation of the highest value and greatly needed for the welfare of the country. Who, we ask, has ever heard of Jim Reed making a brilliant speech in favor of anything? Always he is the prosecutor; never the advocate. Always he is the destroyer; never the builder."

**We will pay 10c each for empty produce cases. Call Cannon Grocery Company.**

Mrs. John Vasey of the vicinity of the Point journeyed to Jacksonville yesterday.

Carl West of the east part of the county has recently returned from a trip to Missouri.

**DEATHS**

\*\*\*\*\*

The death of John Vasey, prominent Morgan county farmer, took place at 11:20 o'clock Tuesday morning at his farm home west of the city. Mr. Vasey was born at Scabby, Yorkshire, England, Feb. 27, 1844, and was a son of John and Anna S. Richardson Vasey.

He came to the U. S. in early life and after a brief stay in the east came to Morgan county. Thus the greater part of his life was spent here. As an independent, frugal farmer with the passing years he won the esteem and good opinion of a very large circle of friends.

The deceased was a member of the Odd Fellows lodge of Lynville and his life was such that he had the good opinion of his neighbors and all with whom he came in contact.

Funeral services are to be held at 2:30 o'clock Thursday afternoon at Point church, and interment will be made in Diamond Grove cemetery.

**Moore**

Mrs. Ellen Lambert Moore passed away at her home Tuesday evening at 9:15 o'clock. Six months ago Mrs. Moore suffered a stroke of paralysis and since that time has been gradually failing.

Born in slavery, Mrs. Moore did not know her exact age. However, her brother, George Lambert, remembers that at the outbreak of the civil war he was about 15 years of age and Mrs. Moore was two years younger. According to this Mrs. Moore probably was born in 1848 and would be at this time 74 years of age. In her early life she was owned by a slave holder and was compelled to work in the fields.

For over sixty years Mrs. Moore has been a resident of Jacksonville and was held in high regard in a wide circle of friends. She was a faithful member of Bethel A. M. E. church and was always in attendance at the services so long as her health permitted.

She is survived by the following children: Edward and Orrie Moore, Mrs. Effie Edwards, Mrs. Alice Ford, Miss Lillie Moore and Mrs. Guy Washington. She leaves one brother, George Lambert and four grandchildren.

The time and place of the funeral will be announced later.

Mr. and Mrs. James Armitage have returned to their home in Springfield, Mo., after a visit of several days with Mrs. Armitage's parents, Mr. and Mrs. William Robinson of Fifty street. The visitors came in their car and are also making the return trip overland.

Miss Alma Gillett and Charles P. Gillett returned to Jacksonville yesterday after a stay of several weeks at Clifton Springs, N. Y.

Mrs. Florence Dresser Hurst of Flint, Michigan, is visiting at the home of Mr. and Mrs. J. M. Hurst on West Morgan street.

Ralph Shelton of Woodson made a business trip to Jacksonville yesterday.

Miss Helen Skiles of Virginia was in Jacksonville Monday to attend the Senior prom at Illinois College. She has been the guest of friends here during the week.

Mrs. Stella Hill of the Morad neighborhood made the city a shopping visit yesterday.

**CHAPIN BOY SCOUTS MADE TRIP TO CITY**

Rev. O. W. Lough Scout Master Brings Boys to Nichols Park—Other Chapin Items of Interest.

Chapin June 13.—Scout Master Rev. O. W. Lough took a small party of boy scouts to Jacksonville Monday afternoon. They stopped at the clothing store and bought bathing suits, and went out to Nichols Park where a delightful afternoon was spent. After a picnic supper had been enjoyed they started on their return trip, stopping at the state hospital grounds for a view of the lawn and drives, finally reaching home about dusk.

The Chapin Woman's Club was very pleasantly entertained at the home of Mrs. Grover Smith on Tuesday afternoon. There were nineteen members present. In answer to roll call current events were discussed. Interesting accounts of the club picnic held at Oak Lawn last Thursday were given by Mrs. H. E. Tucker, J. F. Burham, E. F. Joy and Miss Helene Markham.

The "Carnegie Observatory" was the subject for the afternoon paper and was ably handled by Mrs. J. F. Burham who in a very entertaining manner told of her visit to that place in February of 1921.

Several numbers on the virolo were enjoyed. During the social hour the hosts served delicious refreshments.

The Misses Edith Fox and Doris Hampton left Tuesday noon for Galesburg to attend the state S. convention convening there. They are representing the M. P. Sunday school.

Mr. and Mrs. J. Z. Fox and Miss Isabelle Fox and Miss Amy Oken were among the Jacksonville visitors Tuesday.

Arthur French is home from East Alton Military Academy and will spend the vacation at the home of his uncle E. F. Joy.

The storm of early Tuesday morning did considerable damage to shade and fruit trees and the elevator was partly unroofed, electric lights put out of commission and many telephones are out. At the home of E. F. Joy a silo was blown down.

We are unable to see why the Ocean to Ocean Highway Committee of Jacksonville refuse even to acknowledge the existence of the original route west of Jacksonville across the Illinois river. Why, referring to a recent article in Saturday morning's Journal send tourists down to Montezuma to cross the river when the road to Merodosis is good; the ferry at Merodosis running and the approach to the bridge, which will soon be planked, and made above even the recent high water mark?

**OLD JACKSONVILLE JACKSONVILLE'S GREATEST DAY**

(BY ENSLEY MOORE)  
Member Illinois State Historical Society

Who would have thought that January day in 1830 when Prof. Sturtevant called his nine boys to order in the older part of Beecher Hall, who would have thought of the wonderful day it was to become in history?

Russell B. Mitchell, afterwards a "typo" was one of the youngsters destined to found the Loomington Pantagraph, one of the leading papers of Illinois to this day. Mr. Mitchell did not graduate, and was always a poor man. But he had caught a vision and inspiration helpful to thousands and tens of thousands of news readers and thinkers.

Was it of little moment, that 16th day of September, 1835, when the infant college "on the hill" held—forenoon and afternoon—its first Commencement?

Or, that sixteen young men addressed the listening pioneers? These young men were destined to have in their number distinguished ministers, two members of Congress, one also Governor of Illinois and United States Senator, a President of Knox College; a Moderator of the Presbyterian General Assembly, and other fine citizens of note.

The concluding numbers on the program that day were: "The Influence of Free Institutions in Moulding National Character"—Richard Yates, Sangamon County, Illinois; Scepticism, with the Valedictory address—J. E. Spilman, Hillsboro, Illinois.

When shall Illinois forget the great War Governor and the Christian minister, first graduates from her namesake College?

In the hastening years of development of the great Prairie State; years fraught with so much of National and World importance, Jacksonville, with such leaders, stood forth—a guide of human progress and of human liberty.

Considerable damage was done to the residence property belonging to Leo J. Henneghan, at 745 North Diamond street, when a limb went thru the roof and the chimney was blown from the house. The damage was estimated at about \$150.

Part of the roof on the First Church of Christ Scientist was torn off and the large sign of the Gilbert Drug store at the corner of the square and South Main St. was blown down.

At the west end of College street, where it intersects with South Diamond street, the storm did much damage to trees. At the residence of H. J. Rodgers a large tree was severed in twain half of it falling into College street. Across the street from Mr. Rodgers' residence a large tree was broken off and in falling split another. Some limbs were torn from trees in front of Mrs. J. I. Barrows' residence.

J. M. Strawn, dairyman near Oak Lawn and 2 silos blown over. Several reports from north and south of Jacksonville told of less severity of the storm. A piece of timber owned by Hest Bros. and located near Pisgah was badly damaged.

A limb broke a hole in the roof of Judge Thompson's house on west College avenue.

An old oak on the W. D. Sanders place on West State street was broken squarely off and was a bad wreck.

A large limb blocked Kosciuszko street near West College street. The of the home of the Misses Smith, corner West College Avenue and Park place narrowly escaped damage by a falling limb.

Night Merchant's Policeman Jerry Sweeney was in the alley near the Batz and Stice Cafe when the storm struck that vicinity. He was carrying an umbrella and when the wind struck his hat was blown from his head and disappeared. The patrolman hung on to the umbrella, but it was turned inside out and completely demolished. Tuesday morning the hat was found near the postoffice where it had lodged against the curbing.

One of the largest trees blown down was that in front of Trinity church, and still another was on Lurton street just south of College avenue.

One line of telephone poles extending from West street to Church street on Chambers street is entirely down.

A house at 745 North Diamond street owned by William McNamara and occupied by Walter Cox was badly damaged.

A portion of the tin roof on the Andre & Andre building on East State street was torn loose and an extensive piece of repair work must be done.

Among storm damages was that done to the residence of O. F. Bufile of West Lafayette avenue. A limb from a nearby tree crashed into the roof of the house, causing damage to the property which will amount to about \$200.

The picture case belonging to Splith Brothers Photographers, which is located on the side walk on the west side of the square, was blown down, the glass broken and the case itself demolished.

## BUSINESS BETTER DESPITE STRIKE

General Belief In Better Business Stimulates Confidence in the Public Mind.

Chicago. — (By the Associated Press.)—Definite progress "in the right direction," overshadows the "usual and expected seasonal activity of business at this time in the Seventh Federal Reserve district," despite any retarding factor arising from the fuel situation, according to the monthly review of business conditions in the district.

"The general belief that business is growing better is stimulating in the public mind a confidence which is well supported by returns on April activities," the report continues. "Except for the coal situation, production in the basic industries has increased and the expansion of building construction is calling for additional credit in some sections. Manufacturers' unfilled orders, except for shoes, furniture, and closely allied industries, maintained a steady volume above March and early April."

"Industrial demands on present available capital have not been sufficient to check the easing tendency in money rates. The reduction of loans to member banks by the Federal Reserve Bank in the agricultural sections not only reflects the improved prices to the farmer, but also indicates the economical basis on which he is working."

"Conditions in the live stock industry in this district during April reflects the seasonal decline. Daily products show increased output and steady prices. In manufacturing and merchandising, generally, special caution is in evidence in restocking to avoid a return to former heavy inventories."

Concerning agriculture, the report said: "Early May reports show that winter grains in the district were in good condition at that time, except fields in river bottoms. Because of the late season, the oat acreage has been reduced from that of last year but this will be offset by an increase in the contemplated acreage of corn. The planting of corn is from one to three weeks late, but soil conditions are propitious, despite the difficulties encountered in plowing and preparing for seeding. Indications are that a normal acreage of potatoes will be planted in the district. Clover, alfalfa, and hay crops were showing up well in spite of some winter killing of clover and alfalfa in Wisconsin and lowland crops damaged by floods in Indiana."

Manufacturing industries, considered as a whole showed little further improvement during April, the report continued, the volume of employment increasing by less than one per cent according to the United States survey of sixty five large industrial centers, while for the Seventh Federal Reserve District alone, the gain as registered by firms reporting directly to the bank amounted slightly more than one per cent.

"This leaves out of consideration the unemployment within the coal mines caused by the strike," the report said. "As yet, this has apparently had little effect on other industries or on employment within other industries. The metals and machinery and construction industries show continued improvement while the decreases were confined in the main to a group composed of food, knit goods and wearing apparel, and the leather industries, and are of a somewhat seasonal character. The largest decrease in the district was reported by railroad repair shops, where one-fifth of a total of 8,000 men were laid off."

"In the automobile industry conditions during April were still improving."

"The second month of the miners' strike has occasioned only a slight change in the coal situation throughout the country. Production in operating bituminous mines has increased somewhat; prices are firmer, and the demand is stiffening to some extent. So far as the strike phase of the situation is concerned, no apparent progress toward a settlement has been made."

Bower—Casey Ryan. Casey Ryan is one of the most likeable, human and amusing characters that B. M. Bower has given us. His wit is never failing, his courage is unshakable and his ability to extricate himself from the predicaments into which his easy-going generosity is always leading him is truly refreshing. He is a reckless dare-devil stage driver who ever carried the mail. Casey is bitten by the speed germ and deserted his stage coach for a Ford; but even a Ford could not stand his treatment and eventually he loses both machine, job and bank—the last had gone mostly in repairs. At last he goes back to his first ambition, always tucked away in the corner of his mind, to search out the gold mine, the secret of Injun Jim. Any one who enjoys Bower will be glad to read this new book.

## Grace Church Doings

The intense heat on Sunday affected the attendance in the Sunday school. There were 270 in attendance and the offering amounted to \$11.27. Gradually the school is adjusting itself to the vacation period and will soon be in good vacation running order. Rev. Louis Ohlenslager occupied the pulpit at both the morning and evening services in a very acceptable manner.

The Epworth League met at 6:30. Pastor's Aid society will meet Tuesday afternoon at 3 o'clock in the church parlors.

Next Sunday morning at 10:30 the Children's Day program will be given. There will be no regular sessions of the school in the Junior, Primary or Beginners' departments. The scholars of these departments are expected to assemble at 10:15 in their respective departments to participate in the morning program.

The Five-Year-Guarantee Electric Fan  
FOR BUSINESS

The Emerson is the fan for business, quietly, economically turning the hot spots into cool spots, bringing refreshing breezes into shop, office, store and factory, invigorating the workers and making summer hours productive hours.

Whether it's a wall fan, an oscillating fan, a big fan or a little fan that your business needs, it is an Emerson; for there is an Emerson fan to suit every condition.

## FOR THE HOME

And why not? In winter you have heat in every room. So why not, in summer, keep every room comfortably cool?

And that is why Emerson fans are made in a number of sizes and types. In the bedroom and dining room an oscillating fan, of the proper size, seems best. In the kitchen a non-oscillating fan which can be used to drive the fumes and heat straight out of the window is the proper thing. A small fan as the regular part of the bathroom equipment will bring a world of comfort. All of these fans are portable. They can be carried from room to room.

An Emerson fan uses so little current that you will discover that keeping cool in summer is about the cheapest luxury this old earth affords.

There's a Fan Suited to Your Every Need

## MAKING PLANS TO REORGANIZE BAND

Business Will Recommend to C. of C. Directors Naming of Soliciting Committee.

A group of business men held a meeting at the chamber of commerce rooms Tuesday night to discuss the question of the reorganization of the Jacksonville band. With the business men were a number of musicians, the purpose being to talk over the situation and a view to determining the best way to proceed in the laudable undertaking of securing a

band organization for Jacksonville.

John S. Hackett presided at the meeting in the absence of Louis Frank, who is chairman of the committee appointed to investigate the matter. It was the unanimous opinion of those present last night that one of the best things Jacksonville can do in an advertising way and for the pleasure of the people is to secure a worth while band organization.

There are between forty and sixty men in Jacksonville, who have ability and experience to warrant their membership in a band. Some of the men present last night remember well the days when the Jacksonville band

was famous and added greatly to the prestige of the city. A band organization to be successful must be well uniformed and have a competent leader.

After discussing these and other points the men in attendance last night decided to present the matter to the chamber of commerce directors Thursday night with the recommendation that a committee be appointed to solicit a fund of approximately \$3,000 for a period of two years. Such a sum would provide uniforms and instruction for a band organization.

It is the hope that steps may be taken speedily so that a series of summer concerts can be arranged to be given in the business district.

## CLUBS AND SOCIETY

Platform Dance at West Home

The home of Mr. and Mrs. Charles West, southwest of the city, was the scene of a most enjoyable platform dance given last evening. The dance was given for the benefit of the base ball team and was in charge of Lloyd West and Lloyd Switzer. Large's orchestra furnished a program of dance music during the hours from eight until twelve. There were about two hundred couples present and every one had a delightful time.

Grace Aid Meets Tuesday  
The Pastors Aid Society of Grace church met Tuesday afternoon in the church parlors for the last meeting of the summer season. This was the regular business session and reports were made and all the business of the society was completed for the summer as the society will not meet during July and August. Mrs. Ben Lorton, the president of the organization presided and after the business had been transacted a short social hour was enjoyed.

Annual Reception for I. C. Seniors  
President and Mrs. C. H. Rammekamp entertained at the annual reception for the graduates of Illinois College and the Conservatory yesterday afternoon at their home in Lockwood Place. The hours were from four o'clock until six and several hundred guests enjoyed the generous hospitality of the Rammekamp home during the afternoon. In the reception line with the host and hostesses was Dr. D. S. Schaefer, and the members of the senior class at the college and the conservatory students of the Conservatory of Music.

Lovely decorations of garden flowers were used throughout the home for the occasion. In the dining room ice and other dainty refreshments were served during the afternoon hours. Arnold Lovejoy of Chicago, who is a guest of William E. Kitch of the Conservatory faculty during the commencement season, was a special guest and he sang a group of songs during the afternoon. He was accompanied by Frank Collins at the piano.

Those who assisted the hostess in entertaining were Mrs. F. E. Farrell, T. P. Corter, Mrs. Frank Strawn, Mrs. John Johnson, Mrs. C. H. Scott, Miss Isabel Smith, Mrs. Helen Ayers Bullard, Miss Eleanor Moore, Mrs. Barr, Mrs. Barr Brown, Mrs. E. P. Brockhouse, Mrs. Andrew Russell, and Mrs. Ralph Dunlap.

Queen Esther's Met At Centenary Church

The Queen Esther society of Centenary church met last evening at the church for the last regular meeting until fall. Miss Ruth Patterson, Miss Ruth Wiley and Mrs. C. D. Robertson were hostesses for the evening. Miss Gerneda Phelps led the devotional services and Miss Waive Barton had charge of the program for the meeting. The annual election of officers was held and this was followed by a pleasant social hour and the serving of refreshments.

L. L. Switzer of the southwest part of the county made a trip to Jacksonville yesterday.

## GOOD ROADS BOOSTERS INSPECT HIGHWAYS

Local Men Interested in Good Roads Inspect Various Highways in Adjoining Counties.

A number of local men interested in the question of good roads have within the past few days made inspection of the highways in several adjacent counties. The inspection trips included several points west of the city in the effort to ascertain the best route to follow in that direction.

T. M. Tomlinson, county chairman of the Ocean to Ocean Highway; W. E. Sullivan, president Morgan County Good Roads Association; J. W. Merrigan, vice president of the Chamber of Commerce and S. O. Barr, a good roads booster, are among those who have made these trips.

It is the statement of some of these men who traveled to the west Sunday, that the best place to cross the river is at Florence as the ferry there is constantly in service. Their advice to tourists traveling west from Florence is to go to Detroit and from there to Pittsfield as the roads over this route are in good condition.

A trip to Meredosia, Perry and Valley City was made Monday by Messrs. Tomlinson and Sullivan. At Meredosia they were members of a party, including Mayor Berger, which inspected the new wagon bridge now in course of construction there.

### STRAWN'S CROSSING CLUB HAD PICNIC

Annual Picnic and Open Meeting of Club Held at Home of Mrs. J. N. Coons Tuesday.

The members of the Strawn's Crossing Country Club held their annual picnic and open meeting Tuesday at the home of Mrs. J. N. Coons, east of the city. Each member was privileged to invite one guest and the result was that there were more than 25 persons in attendance at the picnic.

At noon there was an elaborate picnic dinner, served on tables arranged on the lawn. Later came the formal program, with Mrs. A. C. Foster, the president, serving as toastmistress.

A toast to the hostess and to the date, the club anniversary was given by Mrs. J. W. Rawlings. A toast to the bride of the club, Mrs. Frank Leach was next given by Mrs. Henry Strawn.

The singing of America was the opening number for the regular meeting. The president then gave an address of welcome and the secretary, Mrs. Rawlings, read the minutes of the past year's work.

A report on the recent county federation meeting was given by Mrs. Frank Hunter county federation secretary, and then Mrs. Frank Green, the newly elected county federation president, briefly outlined future plans. Mrs. W. T. Scott also made a brief talk.

Other features of the program were some vocal selections by Mrs. Stella Mahon of this city and a reading by Miss Dorothy Dunavan also of this city.

The arrangements for the picnic were made by the following committees:

Domestic—Mrs. Edward Armstrong, Chairman; Mrs. Frank Leach, Mrs. Bertha Sturgeon, Mrs. Clifton Corrington, Mrs. Edith Bossarte.

Program—Mrs. Frank Hunter, chairman; Mrs. J. R. Rawlings; Mrs. Henry Strawn.

# Murphy Drives a Dort

JAMES S. MURPHY, the man who not only won the Indianapolis 500 miles annual classic on Memorial Day, but smashed into smithereens all previous records, DRIVES A DORT.

A short time ago Murphy rode in a Dort Sedan from Fresno to Oakland, a distance of 168 miles. He was accompanied by Joe Thomas and Eddie Hearne, the latter the same driver who ran a good third to Murphy in the Indianapolis race. Murphy was so pleased with the Dort that he wrote a letter to the company, concluding with these words: "This car has capabilities far greater than I realized could be found in a car of its price class. It is a surprisingly consistent and dependable performer."

About a week ago the Dort beat all cars listing under \$900 in the Los Angeles-Yosemite Reliability and Economy run.

## Cooks and Operates Like a Gas Range Makes Gas from Kerosene

Note the features. Really more of a Gas Range than an Oil Stove, is the Alcazar Kerosene Gas Cook. This stove does not burn oil off the wick as does the ordinary oil stove. The Alcazar burner mixes air with the kerosene and makes a gas. You burn the gas, not the oil. The gas makes a powerful blue flame which is concentrated directly on the cooking vessel where it is needed. The heat is not spread and partially lost as with the ordinary Oil or Coal Stove. It

all goes for cooking and baking. This means your cooking done quicker and less oil consumed. Also a cool kitchen in hot weather. Burning gas instead of oil insures a clean, sweet kitchen and a clean stove and pleasant cooking. You'll save money instead of burning it when you have the Alcazar Kerosene Gas Cook. You'll lighten your cooking tasks too and make things easier for yourself. Let us show you this stove. Note how well it is made—"A Beauty," you will say.

# ANNUAL LOVE FEASTS HELD TUESDAY NIGHT

Gatherings of Illinois College Societies are  
Feature of the Commencement Exercises  
—Many Former Alumni and Students  
Gather for This Occasion

Tuesday evening was given over to the reunions of the various societies of Illinois college. Phi Alpha society held its triennial reunion at Academy hall. Sigma Pi met for its 79th annual love feast in Central Christian church. Gamma Delta members gathered at the Colonial Inn. Sigma Phi Epsilon at the Duncan Memorial Home, and Agora at the Peacock Inn.

There was a large attendance at all of the gatherings and the number of graduates and former students back for the commencement events was unusually large. The speakers all spoke enthusiastically of the future of the college and renewed their pledges of fidelity to society and school.

In many instances it had been a quarter of a century or more since some of the men had visited the "Hill." Naturally there were renewals of old friendships and the relating of reminiscences of student days.

**Phi Alpha Society.**  
The triennial reunion and 77th anniversary of Phi Alpha society of Illinois College was held at Academy Hall Tuesday night. Eldon Karr, president of the society, called the assemblage to order and introduced William D. Wood, of the class of '72, as the chairman.

The past and present membership of Phi Alpha was well represented. A splendid dinner was served and then the program began with a vocal solo by Mr. Lovejoy, new vocal teacher of the Conservatory of Music, who was enthusiastically received. The large company joined in singing "Old Phi Alpha Days," and then the toastmaster read a night letter containing an anniversary message from George M. McConnell of Indianapolis, Ind., of the Class of 1852.

Greetings were read from Gamma Nu, Agora, Sigma Pi Epsilon and Sigma Pi societies. M. A. Traylor, president of the Trust & Savings Bank of Chicago, was introduced to speak briefly and was elected an honorary member of the society.

S. W. Nichols displayed a pocket Bible once the property of Dr. Jayne, one of the founders of the society, and the members were much interested in examining it.

After several speeches had been given Mr. Kritch of the Conservatory of Music played a violin solo which was so well received that an encore was demanded.

There were both joyous and serious touches to all the toasts and the program was one quite worthy of the organization. The program of toasts was as follows:

"The Spirit of Independence"—George W. Govett, '92, Quincy.  
"The Spirit of Loyalty"—Ira H. Bracewell, '15, Burlington, Iowa.  
"The Phi Alpha Spirit"—E. Bentley Hamilton, '02, Peoria.  
"The Spirit of Democracy"—Clayton J. Barber, '01, Springfield.  
"The Spirit of Old Illinois"—President C. H. Rammelkamp.  
"Yesterday, Today and Tomorrow"—Samuel W. Nichols, '68, Jacksonville.  
"The Country Lawyer and the City Attorney"—Carl E. Epler, '76, Quincy.  
"Taking Account of Stock"—Eldon Karr, '22, Florida.  
"What Next in Phi Alpha"—

Harvey B. Gunb, '23, Jacksonville.  
"The Memorial Fund"—Edward Capps, '87, Princeton, N. J.

**Sigma Pi.**  
The most enjoyable Love Feast held by Sigma Pi in recent years, took place last evening in the basement of Central Christian church. The fraternal tie which is always such a binding element among Sigs served to enliven the sixty present and former members of the society.

After a banquet which smacked of that "Like mother used to make," served by the Ladies of Central Christian church, the toastmaster, Mr. Ensley Moore, '08, was introduced by President Fiedling. Mr. Moore was one of the oldest Sigs present, and served in his capacity of toastmaster, as only one can, who is steeped in Sig tradition, in addition to a varied experience as master of ceremonies. Mr. Moore has acted as toastmaster at a number of former Sig Love Feasts, and introduced the various gentlemen on the program with some happy personal touch. The toasts were responded to as follows:

Mr. Harry J. Dunbaugh, '99, of Chicago, spoke upon "The Achievement of Sigma Pi." Byron O. Cully, '22, gave a brief resume of "Sigma Pi's Progress in Four Years." Mr. Horace H. Bancroft, '96, emphasized the fittingness and value of "Sig Ideals, Past and Present."

Mr. Frank Wemple, '94, of Javerly, Ill., spoke in a most interesting manner of "A Sig and His Future."

Henry C. Caldwell, '17, of New York City, cloaked with startling originality the true subject, "Reminiscences."

Among the Sigs who spoke briefly were: Mr. Harry Kirby, New York City; Mr. Thomas Backthorpe, Jacksonville.

Mr. Frank Phillips, director of athletics, at Monmouth College explained the importance of literary societies in colleges.

The Rev. Clyde May, connected with the Board of Sunday Schools of the Methodist Episcopal church, attending his first Love Feast in twenty-six years, spoke with great feeling of the ties that bind all true Sigs together.

Coach Harmon fittingly closed the address of the evening by summarizing the activities of Sigs on College Hill.

A signal honor, was extended to Captain William Kirby, of Jacksonville, who carried the first flag from Jacksonville at the beginning of the Civil War, when the society stood at saluted him as its oldest member present.

The members assembled voted to send a telegram of congratulations to Rev. George W. Harlan of Farmington, Mo., who is the only surviving founder of Sigma Pi.

After singing the Society song, which was led by Dr. Henry Kirby, of Chicago, the members spent a half hour renewing old and making out of town Sigs present.

Among out of town Sigs present were Harry N. Kirby, New York City; Rev. Clyde L. Hay, Harry J. Dunbaugh, Edward M. Bullard, Robert J. Foster, Dr. Henry W. Kirby, J. M. Balger, all of Chicago; J. R. Andrew, of Proprietstown; James A. Meeks, of Danville; Henry H. Caldwell, of New York City; Harvey W. McLaughlin, of Hinsdale; Howard D. Wilson, of Detroit; A. L. Kingsley of Highland Park, Mich.

gan; Wayne Wright, of Carrollton; Forest D. Siefkin, of Wichita, Kansas; E. G. Spray, Mansfield, Ohio; C. F. Wemple, of Waverly, and Frank Phillips, of Monmouth.

**Gamma Delta**  
The Gamma Delta love feast was held at Colonial Inn at seven o'clock and was attended by fifty guests. Mrs. Mary Turner Carriel was the guest of honor and was especially honored as she is the oldest living honorary member of the society. The program which each guest found at her place bore a picture of Mrs. Carriel on the cover. This was a surprise to Mrs. Carriel and she voiced her appreciation of the honor when she responded to a toast.

The dinner tables were attractively arranged with pink roses and smilax carrying out the society colors which are pink and green. The place cards were clever representations of Beecher hall, the home of Gamma Delta, and in addition to this each guest had a little favor at her place in the form of tiny corsage bouquets of candy. Following the serving of the banquet Mrs. Elson Barnes Norbury, ex '13, was introduced as toastmistress and the following program of toasts was given:

"Let us enjoy pleasure while we can; pleasure is never long enough." Anonymous

Miss Mary Beatty '24  
"This is the best day the world has ever seen. Tomorrow will be better." Campbell

Miss Irene Groves '23

Mrs. Mary Turner Carriel  
Gamma Delta Song

Miss Irene Groves has been elected as president of Gamma Delta for the coming year. The other officers are:

Vice president—Miss Florence Chapin.  
Secretary—Miss Anna Darley.  
Treasurer—Miss Catherine Combrink.

Critic—Miss Catherine Parker.  
Miss Alice Bray was chairman of the committee in charge of the love feast and she was assisted by Miss Irma Wolfe and Miss Alma Shuman.

Among former students and alumnae members of the society present from out of the city were Miss Bonnie Woods, Berkeley, Calif.; Miss Elias Foster and Miss Frances Tomlin of Tallula; Miss Doris Shuman, Roodhouse; Mrs. Forrest Siefkin, Wichita, Kans.; Miss La Verne Rice, Pottomac; Miss Eda Eckhoff, Chapin; Miss Catherine Powers, Athens; Mrs. Courtney Crouch Wright, Carrollton; Miss Clara Bell Yehling, Duquoin.

**Sigma Phi Epsilon**  
The Sigma Phi Epsilon love feast was held at the Duncan Memorial home in Duncan Park. Dinner covers were laid for about fifty five guests and at six thirty a delicious dinner menu was served. Garden flowers were used in attractive table decorations and lovely yellow and white flowers carried out the color scheme of gold and white, the society colors. Dainty place cards were at each guest's plate. Mrs. G. H. Scott was introduced as toastmistress and the following program of toasts and music was given:

Marie Thomas, '22—Oh, by

wise, Thou! Instructed that true knowledge leads to love.

Mrs. R. M. Capps—"Fond memory brings the light of other days around me."

Hazel Rives, '24—"Let those love now who never loved before; let those who always loved, now love the more."

Mrs. R. O. Busey—"I would be friends with you and have your love."

Kathleen Emery, '23—"Next to the verb 'to love,' the verb 'to serve' is the most beautiful in the world."

Helen Stevens, '22—"Farewell a word that must be, and hath been, A sound which makes us linger; yet, farewell."

Musie—Piano, Mildred Fredlin; voice, Esther Duncan; piano, Laura Jones.

Miss Kathleen Emery was the chairman of the committee in charge of the love feast and the other members were Miss Margaret Russel, Miss Mary Dunscomb, and Miss Vivian Yeldel.

**Agora**  
The love feast of the Agora society was held at the Peacock Inn at seven o'clock. The affair was held in the blue room of the Inn and covers were laid for about thirty-five guests. Old rose and gray, the society colors, were used in pretty table decorations carried out by the use of roses, and dainty place cards and favors. After the banquet, Miss Hazel McCormick, who graduated at Illinois last year, was introduced as toastmistress and the following program was given:

"Agora, Here's to You. There's No One like You and No One Likes You Better Than I"—Grace Marshall.

"Here's to the Good Times I Must Have Had"—Mary Hopper.

"Let Us Keep Our Eyes on the Stars, Though Our Souls Be in the Mud"—Mary Louise Fry.

"A Day for Toil, an Hour for Sport, But for Friends is Life Too Short"—Winifred Butcher.

"I Am Sir Oracle, But When I Open My Lips, Let No Dogs Bark"—Dora Ausmus.

"Here is My Hand and Mind With the Heart In't and Now Farewell."

Miss Mabel Ruyle, president of the society, was the chairman of the program committee for the love feast. Miss Sylvia Taylor, Miss Catherine Winger, Miss Louise Frye and Miss Grace Hopper were the members of the social committee. Among girls who were here for the banquet from out of the city were Miss Mary Hopper of St. Louis; Miss Opal Marshall and Miss Grace Marshall who have been at Champaign this year, and Miss Hazel McCormick who has been teaching at Flora, Ill. this year.

## SCHOLASTIC SOCIETY HELD OPEN SESSION

Notable Address on Dante Made by Dr. Schaff to Members of Phi Delta Sigma.

The Phi Delta Sigma honorary scholarship society of Illinois college held its regular June meeting in the Jones Memorial building Tuesday morning at 10 o'clock. Dr. D. S. Schaff delivered the address of the day and a business session was held. After the reading of the minutes and a short talk by Dr. Lacey, vice president of the society, the misses Anna Cestline Hemphill and Ruby Mann were taken into membership of the society as the two juniors holding the highest scholarship average in their class.

Dr. Edward Capps, '87, professor of Greek at Princeton University, was also taken into membership as the first honorary member. The society does not feel that it is honoring Dr. Capps but that he is honoring the society by his acceptance of an invitation to membership.

After the regular meeting an adjourned open session was called to meet in the college chapel to hear a most interesting and instructive address by Professor David S. Schaff, D. D. Western Theological Seminary, Allegheny, Pa., on Dante, 1321-1921.

Dr. Schaff gave the society and its friends a resume of Dante's life, pointing out the two most important experiences in Dante's theology from the Schoolmen life, his exile from Florence and his meeting with Beatrice. Of the two the most important was the meeting with Beatrice.

In conclusion and in summarizing Dante's character and spirit Dr. Schaff said: "Dante got his and the Breviary, and not directly from a perusal of the Bible. However, his dependence upon mediaeval theology does not reduce Dante to a mere interpreter of that theology."

"Dante is the interpreter of the endless things—endless retribution and endless beatitude. He is the prophet of conversion and repentance, and, as Thomas Carlyle said, 'repentance is the grand Christian act.' His poem is like a cathedral whose massive proportions and lofty spires and mysterious spaces arouse admiration and awe. It is more. It is a pulpit whose living message like a trumpet not only called his own age but calls those succeeding ages to live the life here below as in the light streaming from God's throne and as the sure prelude of eternal weal or eternal woe. As Longfellow put it, 'Thy sacred song is like the trump of God.'"

But for Friends is Life Too Short"—Winifred Butcher.

"I Am Sir Oracle, But When I Open My Lips, Let No Dogs Bark"—Dora Ausmus.

"Here is My Hand and Mind With the Heart In't and Now Farewell."

Miss Mabel Ruyle, president of the society, was the chairman of the program committee for the love feast. Miss Sylvia Taylor, Miss Catherine Winger, Miss Louise Frye and Miss Grace Hopper were the members of the social committee. Among girls who were here for the banquet from out of the city were Miss Mary Hopper of St. Louis; Miss Opal Marshall and Miss Grace Marshall who have been at Champaign this year, and Miss Hazel McCormick who has been teaching at Flora, Ill. this year.

**CORONER'S JURY RETURNS VERDICT**

Holds Power Service Company Responsible for Grammer's Death.

The jury empanelled to inquire into the death of Webber Grammer of Baylis who died as the result of burns from a high tension wire owned by the Central Illinois Power Service company returned its verdict yesterday.

The jury heard the testimony of W. W. Cook, ferryman at Valley City, and Carl Roberts, a merchant in that place. After hearing the evidence the jury returned the following verdict:

"We, the undersigned jurors sworn to inquire of the death of Webber Grammer, on oath do find that he came to his death by being electrocuted by a high tension wire, same being property of Central Illinois Power Service Company, and we find after hearing the evidence said company should be held responsible as the company had been notified that the wire was dangerous at that point."

**I. C. TRUSTEES HAD ANNUAL MEETING**

Report of President Rammelkamp Received—Endowment Fund Is Near Completion.

The board of trustees of Illinois College met at 8:30 o'clock Tuesday morning at the Ayers National Bank. Andrew Russell, president of the board, presided and membership was well represented. Among nonresident trustees present were John J. Bergen, Virginia; George W. Govett, Quincy; Harry J. Dunbaugh of Chicago.

The session lasted through the morning hours and after luncheon at the Peacock Inn the session was resumed. Then several hours were spent with informal conferences with citizens relative to subscriptions toward the endowment fund. In order to make certain of the \$125,000 offered by the Rockefeller Foundation the College must complete today the \$375,000 fund.

President Rammelkamp made his annual report and also gave details of the campaign, indicating that there is still a shortage of several thousand dollars. However, some additional subscriptions were secured in the afternoon and the trustees are hopeful that a number of special messages sent to outside friends will bring responses today that will make it possible for President Rammelkamp to announce at the commencement exercises that the total fund has been secured.

**CAMP FIRE GIRLS AT ROTARY CLUB HOUSE**

(Special Correspondence)  
Well, at last we, the girls of three camp fires, are here, arriving without any accidents.

Everyone went right in swimming as soon as they got settled. The water is fine and back to normal again.

This morning the Brave Supporters won a volley ball game from the Paris Garters. These are squad one and three. Squads two and four played baseball this morning. Squad four winning.

The storm did no serious damage except blow everybody's clothes in a heap in the middle of the room and get all wet who was anywhere near the windows.

A hydroplane flew over the camp and landed a little up the Bay. It flew away when a launch went near so of course we know they were German spies.

Frances Johnston and Blanche Braumen give us lots of good things to eat.

We are all getting good marks in inspection which may seem surprising.

The girls in camp are: Elizabeth Scott, Tohnetta Cully, Betty Black, Catherine Wilson, Marjorie Kiltner, Joyce Lander, Elizabeth Goodale, Maud Eva Hackett, Lavinia Scott, Helen Dumas, Rhoda Rammelkamp, Carol Lander, Dorothy Fiedler, Angie Joy, Helen Dial, Helen Walton, Jo Milligan, Mabel Rogers, Eleanor Andre, Margaret Faye Hopper, Eleanor Stoldt, Helen Turner, Mary Edith Baumgartner, Louise Wiseman, Margaret Marshall, Lucille Mackness, Edith Putman, Alben Rabjohns, Caroline Doane, Abbie Lee Young, Irene Stubblefield, Eleanor Mae Ames.

Mrs. L. E. Milligan, Mrs. J. S. Hackett, Miss Edna Hackett, Rev. and Mrs. G. E. Stikney are in charge of our party and are talking good care of us.

## BEFORE BABY COMES

### Watchful Care of Health Necessary

#### Lydia E. Pinkham's Vegetable Compound a Marvelous Help

West Orange, N. J.—"I was very nervous and upset for six months before my baby was born. One of my friends told me to take Lydia E. Pinkham's Vegetable Compound and I have taken it for five months now. I have a big boy who weighed almost nine pounds at birth and I do all my housework and don't feel a bit nervous or upset any more. I still take your medicine and have told all my friends what good it has done me."—Mrs. MARGARET GREGORY, 440 Valley Road, West Orange, N. J.

West New York, N. J.—"The first two months I carried my baby I was in bed almost every day with sick headaches. I tried Lydia E. Pinkham's Vegetable Compound and the first bottle helped me. I took seven more and I know I couldn't feel better than I did. The headaches stopped and I was able to do my own work. I have a baby girl six months old who weighs twenty pounds and is the picture of health."—Mrs. J. McCoy, 207 20th St., West New York, N. J.

**Nervous and Run-Down**  
Biloxi, Miss.—"Just a word of praise of Lydia E. Pinkham's Vegetable Compound. I took it with wonderful results before my baby was born. I was so nervous and run-down that I was a wreck of misery. I had pains in my sides and back so bad that I could not stay still or sleep nights. My husband was reading

your 'ad.' in the paper and I decided to try your Vegetable Compound. After I had taken half a bottle I felt a change and was soon as well as ever. I took it the whole time and recommended it to every woman who is suffering as I was. People said that because I was so young I would never pull through and I praise your Vegetable Compound for my good health."—Mrs. ENOCH J. STEVENS, 889 Fayard St., Biloxi, Miss.

Chicago, Ill.—"I recommend Lydia E. Pinkham's Vegetable Compound for all prospective mothers. I suffered from weakness and faint spells and had to lie down twice a day for an hour or so before I could go on with my work. My cousin, who lives in Wisconsin, has used your Vegetable Compound for over five years and she came to us for a visit and she recommended it to me, saying she would pay for the bottle if it did not help me. I took that bottle and got more, as I found it gave me great relief. I recommended it to my friends and sisters and am willing for you to use these facts to help others."—Mrs. I. J. KUBENSKI, 1813 W. 17th St., Chicago, Illinois.

Lydia E. Pinkham's Vegetable Compound should be taken by expectant mothers. It will assist them in keeping well and strong. This is necessary not only for their own comfort but for the future as well. It helped these women and it has helped many others.

Bennie Stone spent Sunday with Neal Drennen who is a patient in a hospital there.

A series of band concerts is to be given in Manchester during the coming weeks by Rawlins band of Roodhouse. The business men of the community contributed a fund toward this movement, which is being fostered by the Ladies Aid of the Christian church. The first of the series will be given Wednesday evening, June 21.

The Worth While girls of the Baptist church will hold an ice cream social in the park Saturday evening.

## AN UNGRATEFUL WRETCH

Dr. Willerton who has recently returned from Tucson, Arizona, told a Journal reporter of one of the most dastardly crimes in the annals of our country's history. He said a man and wife were traveling by auto from the east to California and on the way a dapper young fellow, well dressed and telling a very plausible story, asked to be taken along.

The car was pretty well loaded but they took him and while enroute he shot and killed the lady and fired four shots into the man inflicting severe wounds. The villain probably seeing the some indication of pursuit abandoned his victims and fled.

By superhuman effort the wounded man managed to get his car along far enough to overtake some campers and there told them his story. Word was sent proper officials and the scoundrel was caught and tried in Tucson and there the doctor heard the testimony. He said it was pathetic to hear the tale of the wounded man who told in a straight forward manner the way the evil work was done.

Strange to say the jury hung, three being for the death sentence and nine for life. A second trial was had and the jury agreed on hanging and it is to be hoped nothing will intervene to thwart justice on her dues.

## HOME FROM MICHIGAN.

# REFRIGERATORS

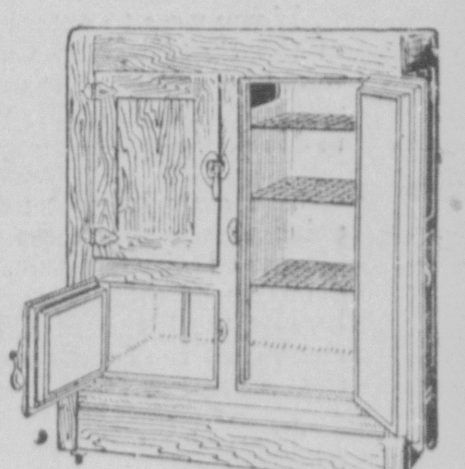

The Only Safe and Economical Way to Preserve Food

Obsolete types of ice-chests and make-shift contrivances often used for the preservation of food during the summer weather, are very expensive pieces of household equipment to maintain. Because of inadequate protection against outside air they waste more ice than they use, and in many cases are not even sanitary. Most of the various cases of summer complaint can be directly traced to the old ice-box.

## FARM BUREAU NOTES

Will Have Field of Wheat Certified.

Yuba Funk, north of the city has a field of Turkey 10-110 which he expects to have inspected and certified for seed purposes according to the rules of the Illinois Crop Improvement Association. When the inspection is made we hope to have a meeting at this field to show what sort of inspection it takes to get certified seed.

## Plenty of Clover.

There is really a great crop of clover in the country this season. In some places farmers hardly know what to do with the hay. Carl Blair of Waverly has 60 acres of heavy clover on a farm of 160 acres. He is seriously considering clipping the first crop and baling it for hay and then changing a seed crop.

## Will Order Cereote for Bug Insurance.

Henry Miner of Waverly is somewhat uneasy about chinch bugs, altho they are not as numerous as last year. He thinks it good business to prepare a barrier and order cereote before it is needed.

## A Good Field of Sweet Clover.

The writer inspected a field of sweet clover yesterday on the farm of E. O. Forone and many places the plants are over seven feet tall. Mr. Forone expects to turn this under soon and seed to Alfalfa in August.

## DOCTORS CLAIMED RECOVERY WAS ALMOST A MIRACLE!

### Woman Facing Certain Death from Nervous Disorder Discovers Remedy in Time

Nervous disorders are on the increase. Men and women compelled to go out into the world to battle for a living quite often neglect their health to such an extent that a breakdown is the inevitable result.

Such neglect is criminal. In many instances it leads to fatal consequences. When you have moody spells, feel depressed, begin to have distaste for business or social duties, when you cannot sleep at night—these are sure signs of nervous ailments and should be checked.

Read below of the experience of one woman who, according to her own testimony, was

facing death, but who fortunately discovered the right remedy in time, and which brought her back to health and normal strength:

Miss Rena B. Crossland, Kemper, Queen's Co., N. S., writes: "I feel it a duty as well as a privilege, to tell of the wonderful benefits I derived from the use of Dr. A. W. Chase's Tonic Pills. In March, 1917, I had an anæmia of the brain and the mental and physical suffering I endured is indescribable. I had treatment from three doctors, and for twelve days was unconscious; while for three months I was fed and cared for like an infant. My mother was so anxious for me to use Dr. A. W.

Chase's Tonic Pills that she crushed them and baked them in my food. After using two boxes I could feed myself; and after using them for two months, my health improved so rapidly that doctors and friends said my recovery was a miracle. I cannot recommend Dr. A. W. Chase's Tonic Pills too highly, even to those who seem to be facing death."

Dr. A. W. Chase's Medicines are on sale at all first class drug stores. To be sure of getting the genuine, see that portrait and signature of A. W. Chase, M.D., are on every box. This trade mark is your protection against imitations and substitutes.—Advertisement.

## Why Standard Oil Company (Indiana) Gives Better Service

WHEN you drive up to a Standard Oil Company (Indiana) Service Station you find a man in charge who is competent, quick, agreeable—at your service. The farmer finds these same qualities in the man who drives the dark green tank wagon to his door.

If you were to enter any one of the refineries of the Standard Oil Company (Indiana) you would be astonished to note the air of absorption with which each employee is devoting himself to his job.

The same interest may be observed at any point where you come in contact with employees of this Company. This condition is not a matter of mere happening—chance. It is because the Standard Oil Company (Indiana) recognizes the fundamental interest of labor in the business to which it is devoted.

Throughout the years, it has been the continued policy of this Company, to compensate its employees fairly; to give them steady work; to insure them so far as it is possible against unemployment.

To protect the employee who has grown old in the service, the Company has devised and put in effect an annuity plan whereby the employee who has given his best years, or who has become incapacitated in the service, is insured an income for the balance of his life. In no case is this annuity less than \$300.00 a year and it may be as high as 75 percent of his average yearly wage for the 10 years preceding retirement.

This policy gives the employee a sense of security respecting his future. It enables him to do better work and gives him a more vivid interest in his work.

Long experience has convinced the management, the employee, and the stockholder of the Standard Oil Company (Indiana) that this policy of recognizing the rights of the employee is one of the factors which enables this Company to give to the public a superlative grade of service in the manufacturing and distributing of petroleum products.

—the-most-talked-of place in America by out-of-doors folks is Glacier National Park. Up there in the Northern Rockies there are fifteen hundred square miles of breathing room—loafing space; forests, sparkling streams, waterfalls, mountain lakes, slow-moving glaciers, majestic mountain peaks and myriads of wild flowers.

To breathe the breezes, quickened by the glaciers, flavored by the mountains and streams and perfumed by the pines and flowers is an experience you never will forget.

If you're a fisherman, there are cut-throat and other trout to battle with. If you are a hiker, there are no end of sky-line trails to follow. If you love to ride, a sturdy mountain pony will carry you along the Continental Divide. Mountain guides—chaps you'll enjoy getting acquainted with—are there to accompany you. There is row-boat and launch service for those who prefer to explore the waters. Auto stages on a mountain motor highway facilitate your movement about the park.

If you like to "take your hotel with you" and camp out, there are scores of ideal spots on the shores of sparkling rivers and glinting lakes. The chalets—little hotel villages in the mountains—are picturesque tarrying places. Two mammoth mountain inns, where unique indoor camp fires crackle on evenings provide more elaborate accommodations. The whole service scheme in Glacier readily lends itself to the outdoor idea—follow the dictates of your fancy. Better plan to go this summer. Vacation costs are down, remember. 'Twill do you a world of good. See me about including Colorado, without added rail cost.

**WHITE HALL MAN WAS  
CALLED TO MINNESOTA**Mark Lowenstein Called to Austin, Minn., By Illness of Sister  
Other Items From Green County.

White Hall, June 13.—Mark Lowenstein has gone to Austin, Minn., on account of the hopeless condition of his sister, Mrs. A. L. Eberhart, formerly Miss Lena Lowenstein. Louis and Claude Lowenstein will leave Wednesday morning for her bedside.

Mr. and Mrs. W. A. Winn have returned from their winter sojourn in California.

Mrs. Bernice Pritchard Rucker departed Monday on her return to Cushing, Okla.

Charles Marks is enroute to Provost, Alberta, on account of the serious illness of his brother, Benjamin.

Seth N. Griswold, James Pegram and Marcus North spent Sunday afternoon at the home of Judge N. L. Jones in Carrollton. Judge Jones has become a bird fancier along with his growing inclinations for nature study providing the most approved designs of bird houses for the various kinds. He gave authority for the gradual extinction of the English sparrow, which is traced to oil roads. The sparrows carry the oil to their eggs, rendering them infertile, and he has conferred with the highest authority on the subject, whose views conform to the above cause as to the lesser numbers of English sparrows in the last year and the present season.

**Dedication of Headstones.**  
The dedication of the Revolutionary headstones at the White Hall soldiers' monument seems destined to go over to some convenient date. It has been suggested that the matter be handled by the organization of a local historical and memorial society along the lines suggested by Chairman E. C. Pearce in connection with the Decoration-day exercises, but the organization can not now be set to functioning in time, it appears, to make arrangements for such an important event as this dedicatory service on the next Fourth of July unless there is a move during the present week.

Chief Justice Thompson, of the Illinois supreme court, expresses his interest in the formation of a society as above suggested. He writes: "Memorial services and similar community services should be managed by a permanent organization. I like your idea for the formation of a North Greene County Historical Society. Such an organization could be handled by a board of managers, say two from White Hall, two from Roodhouse, one each from Athensville, Patterson and Hillview. Celebrations of Memorial Day, July Fourth, Labor Day and Armistice Day could then be alternated between the two cities."

**RECEIVES SEVERE INJURY TO HAND**  
Vernie Smallworth, who is employed on the farm of George Orear, had the misfortune to chop off the fleshy part of his thumb while endeavoring to make some kindling yesterday. He was hit immediately to the office of Dr. King, where some ten stitches were necessary to dress the wound properly. Mr. Smallworth returned to his home after receiving the necessary medical attention.

**BACK FROM LA SALLE SEMINARY**  
Miss Catherine Alexander who has been attending the La Salle Seminary at Auburndale, Mass., is home for the summer months.

**AN INTERESTING PARTY**  
For several days the Dunlap House has entertained as guests Dr. and Mrs. Cameron and Mr. Alford of the Roycrofters of East Aurora, New York. Dr. Cameron is a noted writer and author and travels a great part of the time by auto gathering information and inspiration for his books. While in the city they met a number of persons who found them very pleasant. They were much pleased with Jacksonville, Nichols park, the beautiful streets and many other features of our place.

and something worth while accomplished.

"I am not sure but what such an organization could make these days of sufficient importance to take the place of the summer chautauqua, as so much of their programs is the same thing every year that they become tiresome. I should think that a membership fee of one dollar would be sufficient to make such an organization a success." Chief Justice Thompson is the great-grandson of John Thompson, a Revolutionary veteran, whose grave has been marked with a military headstone under the direction of the White Hall committee.

**Weather and Crop Report.**  
The local weather and crop report for the week ending Monday shows that all vegetation is in need of rain. The only measurable shower so far this month was 0.12 inch on the 8th, there being traces on the 2nd and 7th, and corn in places is showing the absence of moisture. Wheat is ripening in good shape, and cutting will begin in two weeks. Reports of chinch bug damage to corn are accumulating.

The weather during the past week has been excellent for farm work and plowing has proceeded uninterruptedly. Apples have ceased to fall, and the earlier harvest of this crop will begin August first and the main harvest September first. Previous estimates of less than half a crop are maintained.

The strawberry harvest is over. This year's crop was the largest and best in quality yet produced at White Hall. The market took care of the production, except that there was a gloomy outlook the first few days, but by getting samples in larger market centers there was immediate difficulty in supplying the demand and there was no cutting the price of \$3 per crate of 24 boxes. There will be a still larger production next year, but the growers are in a position to market all that grows.

The raspberry crop promised well until the dry spell showing exceedingly bad effect during the past few days. Rain during the next 48 hours might save this crop.

The temperature averaged 76.7 degrees, the highest reading being 92 on the 11th and the lowest 54 on the 6th. The sunshine was ample.

**MAY PLACE ROADS  
IN THREE GROUPS**President Blied Talks About Re-  
ported Merger of C. and A.,  
and Katy Roads.

In a statement given in Chicago, President W. G. Blied states that merging of the railroad systems of the United States into three or four groups is under consideration. His declaration came following reports that the Chicago & Alton and the Missouri, Kansas & Texas roads were to be consolidated. Amalgamation of the railroads is suggested by a law recently passed, Mr. Blied said, which directs the interstate commerce commission to investigate and make recommendations to railroads who would be benefited by consolidation. The benefits of mergers, according to Mr. Blied, would be economy, more thorough utilization of the railroad properties and the strengthening of some systems of linking them to stronger carriers.

The interstate commerce commission has directed Prof. Ripley of Harvard University, to complete railroad statistics and make recommendations where merger would be beneficial. Mr. Blied said. This initial report of Professor Ripley has been received by the commission. Mr. Blied announced, and recommends a merger of systems in the southwest. With reference to the situation in the southwest and the rumored merger of the Chicago & Alton and the Missouri, Kansas & Texas, Mr. Blied said: "It is a well known fact that the Chicago & Alton connects with the three central west points most vital to transportation—Chicago, St. Louis and Kansas City. The rumored merger has been suggested as a means to connect the Katy System with Chicago. Such a consolidation would provide Chicago with direct lines to the southwest, including all points in Oklahoma and Texas and possibly would be highly beneficial to both systems. The law suggesting consolidation of carriers is not compulsory, however. It merely directs the I. C. C., to

make investigations and to recom-  
mend to the railroads where mer-  
gers would be beneficial," he  
concluded.**CORRECTION**

An item appeared in the Journal Tuesday stating that Mrs. Myrtle Hicks, Sam Farmer, Mrs. Bert Wise and Mike Trent drove to the river Sunday and enjoyed the day fishing. These people wish to state that this is in error as Sam Farmer, Myrtle Hicks, Cal-etta Brown and Lonestia Stice spent Sunday in Springfield with Mr. Farmer's daughter, Mrs. H. B. Carson.

## FIFTY THREE TEAMS IN NATIONAL MEET

Thought Others May Be Received By Mail. Today—Stagg, Terms It the Olympic of the College World.

Chicago, June 13.—Entries in the second annual track and field meet of the National Collegiate Athletic association to be held Saturday at Stagg Field here closed today with fifty three teams in the contest for the national title in track athletics.

A few late entries mailed within the time limits may be received tomorrow and announcement of the preliminary events to be run off Friday will be made on Thursday. It was estimated to-night that more than 300 athletes most of whom are champions in their sections will compete here Saturday.

Coach A. A. Stagg of the University of Chicago termed the meet the Olympic of the College world and asserted it would outrank any college track meet ever held.

I am particularly glad that the University of Illinois entered the meet," he said. "Had they not entered, the meet would have been spoiled to a considerable extent."

The Illinois team, last year's champions, will arrive here Friday and will be given a work out by Coach Harry Gill. Most of the men had left college for their homes when it was decided to enter the meet at the last minute and these men are now returning to get in condition. California is expected to lead Illinois a close race for top place. Notre Dame, Pennsylvania, Penn State, Georgia Tech, Grinnell, Nebraska, Kansas, Chicago and many of the other leading teams are expected to cut heavily into the Illinois and Bruin points. Among the entries are the following:

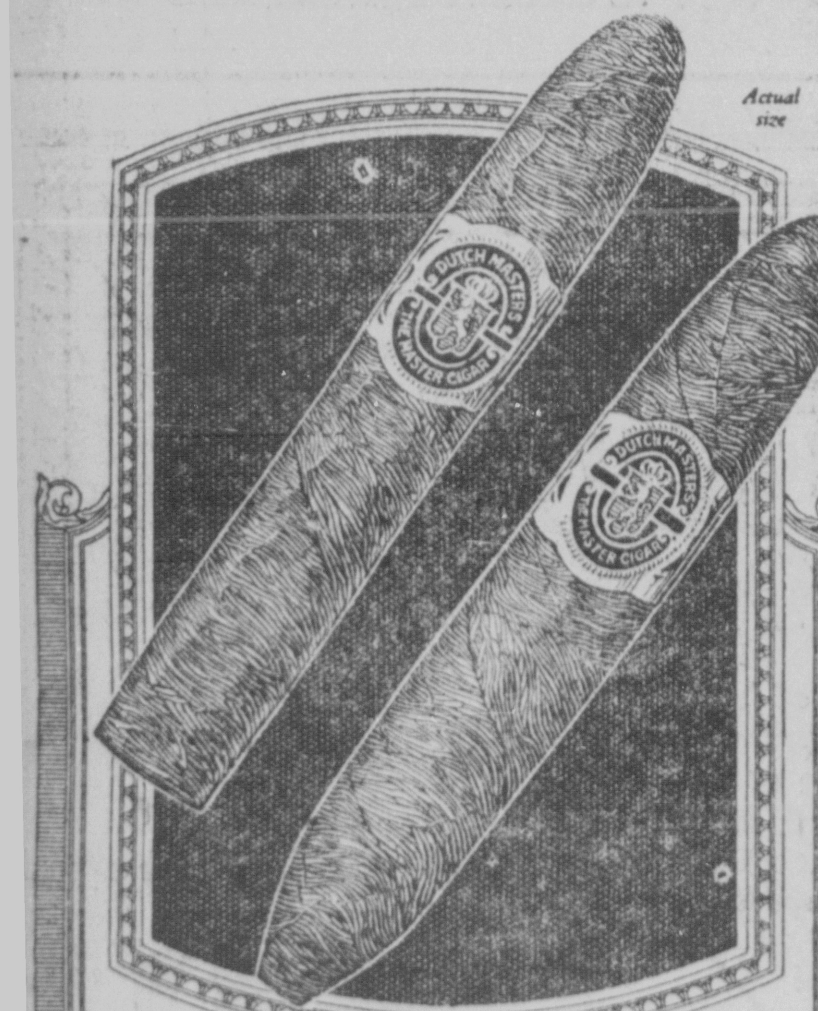

East, Penn State, Georgetown, Amherst,

## BROWNS BREAK EVEN WITH HUGGINS MEN

Take Last Game of Series by Score of 13 to 4—Danforth Holds Sluggers Safe.

ST. LOUIS, Mo., June 13.—The Browns and the champion Yankees broke even in their series here by virtue of the local 13 to 4 victory today due to Dave Danforth's pitching and the clubbing of Sisler and his mates. Shawkey, Murray and 'Doul were ineffective. Catcher Severeid was put out of the game for protesting umpire Evans' decisions.

## ROBERTSON HOLDS BOSTON TO TWO HITS

White Sox Defeat Red Hose by 5 to 0 Score—Winners Cop Opportunity Hitting.

CHICAGO, June 13.—Charley Robertson of perfect game fame today let Boston down with two hits, while Chicago touched Bill Piercy for ten and shutout the visitors in the final game of the series 5 to 0. O'Rourke the first man up in the eighth inning made the first hit a single to left but a fast double play followed. Menosky uncorked the other hit in the ninth, but was forced at second. Two men walked. Smith the first Bostonian to face Robertson walked but died on first. Not a runner reached first again until the sixth when Piercy walked and went to third on Johnson's fumble of Menosky's grounder. Aside from this inning, not a player reached second base and four men were left stranded on the bases, three at first and Piercy on third.

Chicago won the game by hitting opportunity.

## MODERATE RECOVERIES IN STOCK MARKET

By Associated Press.  
NEW YORK, June 13.—The  
stock market today made general  
but only moderate recoveries  
from the preceding day's severe  
depression.

Noteworthy instances, chief  
rails, the rebound carried prices  
close to last week's final quotat-  
ions. Stock exchange officials  
refused to discuss reports dealing  
with that institution latest policy  
of conservatism. It is understood  
however that the exchange has  
the cooperation of the banks in its  
efforts to gradually eliminate  
reckless speculation.

Oils, steels, motors and the  
better grade of rails reflected  
substantial support in the last  
half of the session some of the  
equipments, shipping textiles and  
chemicals also sharing in the  
stronger tone.

Sales amounted to 1,300,000  
shares.

Yesterday's low rate of 2½ per  
cent for call loans was not re-  
peated with the quotations and  
the holding at 3 per cent until the  
final half hour when 3½ per  
cent was demanded. Sharp reac-  
tions occurred through the fore-  
ign exchange list sterling again  
reacting 2½ cents to \$4.46½ for  
demand bills with declines of 6 to  
12 points in allied rates and 3 to  
almost 10 points in neutrals.

Losses of fractions to 1 point  
were sustained by Chicago and  
Alton 2½s, St. Louis and San  
Francisco incomes and Peoria  
and Eastern incomes.

Total bond sales (par value)  
aggregated \$15,739,000.

## NOTICE OF FINAL SETTLEMENT

In the Matter of the Estate of  
Samuel Taylor, Deceased.  
Notice is hereby given That I,  
the undersigned, administrator of  
the estate of Samuel Taylor de-  
ceased, have caused my final re-

## Memorial Day Program At Chateau Thierry

Miss Mary Wadsworth in a letter to her sister, Mrs. A. B. Applebee, gives a most impressive narrative of a Memorial day celebration at Chateau Thierry where she for more than a year past has been associated with her uncle, Dr. Julian Wadsworth, in work for the Methodist Memorial.

A number of paragraphs from this unusually interesting letter are quoted below: It was a perfect Memorial Day affair. The word came out here last week from Col. Drake, head of the American Legion in Paris, that General Harbord was to be in Chateau-Thierry over Monday evening. Uncle Julian thot it wise to ask him here to meet the Municipalitee, etc. No one knew exactly when he was coming and everything was so confused. A little before noon, I happened to meet Captain Campbell of Fere-en-Tardenois, at the station, and he said he didn't think the General would be here before Tuesday morning. But in the meantime, Uncle Julian had sent invitations to the "gros-bonnets" (big bonnets) here. Thus, no one knew when, but finally a wire came that he would be sent here by half-past six.

Uncle Julian was at the hotel when he arrived and explained the situation, and of course he said he'd be charmed to come. He's wonderful—a huge man, larger than General Pershing, and O, such a jaw and firm mouth, you can imagine how he could lead an army. He, as you know, is chief of Staff, and as General Pershing is now General Emeritus, it is Harbord that is practically the head. His wife was with him, a little tiny woman, so sweet and simple in her manner and dress; she's a cripple and uses a crutch to walk. Then the General had two Aides, a Captain and a Major because he speaks no French. With the party were Captain and Mrs. Upham (he is the naval attache to the American Embassy in France,) Consul-General Thackery and his daughter.

To meet them here, were the Sous-perfect of the Department Aisme (compares to the Lieutenant Governor of the State,) the Mayor, M. Piernot, who is the head of schools of the Aisme, and perhaps eight or more of the Councilmen. Not one could speak English which made a "trying position," but Miss Sedwick acted as interpreter with the General's aides. After the introductions, we served coffee and cakes. Then Uncle Julian spoke in English, with Miss Sedwick translating; that he was proud to introduce two people that he greatly admired, his French friend and his own Commander from the Homeland. He spoke beautifully and then the General, in the most informal way, said that there was no place in France better known thruout America than Chateau-Thierry, because it was the farthest advance of the Germans, and because America was given the honor to enter the conflict at this crisis and was given the honor of defending these homes, etc. And he went on to say that no matter what the politicians of France or America may say or do, the hearts of Americans thruout will always be close to the hearts of the French—and as long as the sun shines on those graves at Belleau, there can never be anything but the warmest and most sincere tie to unite the two nations.

Then M. Piernot spoke for the French and claimed that the French really wanted peace and it is for that principle that they have been so recently misunderstood, etc. It was wonderful, and the spirit that was shown was just splendid. The sincerity with which it was said could never be questioned.

It was interesting to note the difference and the contrast in the way they expressed themselves. General Harbord stood there very quietly erect, with his hands behind him but looking straight at them; then when M. Piernot spoke in the characteristic French fashion with the most passionate gesticulations, he nearly upset all the flowers. But both were so eager to express their feelings. It was fine, for you know how many French feel about us, and how it is in Paris. But the feeling is fine here.

We were all charmed with the General, his manner, his appreciation and all. An interesting coincidence had just happened, that Mrs. Harbord was telling us. On their way out from Paris they stopped at all the familiar land-

marks that he associated with his fighting there—you know he commanded the 2nd Division, including the Marines. Right near Belleau, they drove up to the farmhouse that had been his headquarters during the fight and he spoke with the old woman who had returned to her farm after the war and told her why he wished to review these places. After she was sure beyond doubt that it was really the general she was entertaining, she said, "I have something of yours—I found a letter addressed to you and it had never been opened, but I've kept it and no one has ever seen it or opened it." Then she got it for him. It was from Mrs. Harbord, written from Washington June 6, 1918 and that, as you know it the date of the Marines' meeting the Germans at Belleau. Sure enough, it had not been opened, and in it she said, "the papers here say that the Marines are doing splendidly." Just think, after four years to find that letter, when she was with him, in that old broken-down French farm house.

Memorial Day itself was beautifully bright and just comfortably warm. Soon after breakfast, flowers began pouring in here for us to carry out—fine pieces—one was like a flag of red and white roses, corn flowers, etc. The cemetery looked beautiful and such masses of flowers.

At 10:00 the exercises began and were just as impressive and beautiful as last year. The principal speaker was the general, then Captain Upham, a French general, the sous-prefect, the mayor of Belleau, the mayor of Chateau-Thierry. Over two hundred French children from the surrounding villages and Chateau-Thierry carried each a bunch of flowers and a French and American flag. At the close of the service a cannon was fired, taps were sounded and the flag which had been at half-mast thruout the service was lowered and then with the French flag hoisted to the top.

I hope I got some good pictures. A few minutes before it started, everyone was talking and I approached the general and asked if I might get a kodak. "Do I mind? Why, I love it; just eat it up." Whereupon he posed right in front. Also got of Floyd Gibbons, the newspaper correspondent who lost his eye, right here at Belleau.

As at Christmas, we placed flowers upon the graves of those whom we know of especially—our list is growing every day and we took eleven bunches of roses, peonies and lilies, etc.

### IMPRESSIVE CEREMONIAL AT ST. CHARLES HOME.

St. Charles, Ill., June 13.—"Religion is the foundation of the family, society and good government," declared Colonel Frank Whipp, fiscal supervisor of the Welfare Board and acting superintendent of the State School for boys at St. Charles, Illinois Sunday afternoon.

It was children's day and the Sunday services at the home were in charge of Miss Helma Sutherland of Chicago, who for twelve years had been attending the state institution as a voluntary Christian worker.

Children's day at the school was celebrated with special services in the chapel in the morning at ten o'clock at which Dr. Thomas K. Gale, superintendent of the Joliet district, preached the sermon and the devotions were in charge of Rev. J. T. Brabner Smith of Chicago, Illinois, of the Committee of Conservation and Advice.

At the afternoon service a remarkable incident occurred when 125 boys volunteered for Christian baptism.

**ELKS WILL HAVE FLAG DAY PROGRAM.** It is earnestly hoped by the committee on arrangements that all members of Jacksonville Elks lodge and their families will be present at the Flag Day exercises tonight. A very interesting program will be given, including a group of songs by Mrs. William Barr Brown and a reading by Mrs. P. C. Thompson.

**CORRECTION.** In the account of the Correa fire which occurred Monday night it stated that the total loss was \$2,000 and was fully covered by insurance. Mr. Correa wishes to state that the loss was about \$1500 and the insurance on the barn amounted to \$200 and on the contents \$100.

### Syrian Dancer

In this costume Amella Khoury, Boston shop girl, revives the dances of her Syrian ancestors. She's said to be descendant of a Syrian maiden who danced in Lebanon in honor of Ishtar, queen of heaven.

Mrs. L. C. Funk of Manchester came to the city yesterday and met her son Stanley Funk, who is just returning home after being a student at the University of Illinois during the past year.

## Vacation Time-- Accident Time

Are you going to take a trip this summer? If so, beware of the accidents. From now on the papers will begin to chronicle the accidents, which will increase in number as the season goes on. Summer time, vacation time, always means more accidents.

A little, old accident policy costing a very few dollars, will give you a great big amount of satisfaction, in knowing that if something slips up on your blind side, your policy will pay the doctor, the hospital, and maybe the undertaker.

These policies cover any ordinary injury and can be bought for a short term or a long term, to cover your trip. A telephone call will bring you the information you want.
